This was another match that could have gone either way with four good shooters on the table. Clyde has been playing pretty well and Scott Sharp has definitely picked up his game this session. Clyde nailed game one to start the **8 Ball Set**. John has been up and down in his game play lately, but strung together some nice shots to put a win on the sheet for him and Paige in game 2. Clyde and Scott took advantage of some missed opportunities by the opponents and capitalized with back to back wins in games 3 & 4. The momentum continued to favor Paige and John as Paige opened the **9 Ball Set** with a nice couple of shots to take game one. Clyde found a good opening in game 2 and closed out the game with a four ball run of his own and seemed to stay focused as he closed out game 3 as well. Paige got another good opportunity from an opponents miss and closed out game 4, to even things up. Clyde and Scott went on a rampage with combination shots in the last two games.
